PROJECT SUMMARY

The "Honolulu - Kapiolani Park" website will include information about one of the most popular and largest parks in Honolulu. This park has a zoo, an aquarium, beaches, the famous Waikiki Shell where performances and concerts take place, and so much more. This website will also include images for the viewer to get a better sense of this amazing place.

PAGES

- Home - Introduction of what the website will be about. (image on the left).
- History - Includes the history on how the Kapiolani Park came about. (There will be a column on the right where the facts on the who, where and when this happened and with an image on the top).
- Sightseeing - Includes information about the Waikiki Shell, the Honolulu Zoo, and the Waikiki Aquarium. (There will be three divs/columns on important facts of these three places).
- Fields - Includes the many fields and different activities that people go to Kapiolani Park for. There also will be information on the Botanical Garden that is in this great park, famous for its rare lokelani roses. (There will be a column on the left with images).
- Beaches - Includes the beaches that are located in this park. (It will just be a page with images around).
- Contact - This page will be for the viewer to contact the author. (Contains a form).
- Credits - Includes the citations to all the information and pictures taken to help create this website.
- Reply Page - This page will be for the author to respond to the viewer.

Creative Brief continued

INTRODUCTION

Kapiolani is named after Queen Kapi'olani, wife of King David Kalakaua. This park has existed for than 100 years and it still remains to be a wonderful recreational park to go to, thanks to associations that keep it intact and beautiful. Kapiolani Park is filled with activities for the people of Honolulu from jogging to going to a concert. The "Honolulu - Kapiolani Park" website will give you the chance to escape to this park through its information and pictures.

DESIGN SUMMARY

The colors for this website will vary from green, orane, yellow, etc. It will have that tropical scene with strong colors with themes related to a park and a beach. The fonts that I will use are Trebuchet MS and for the design it will be SuperTiki.

AUDIENCE

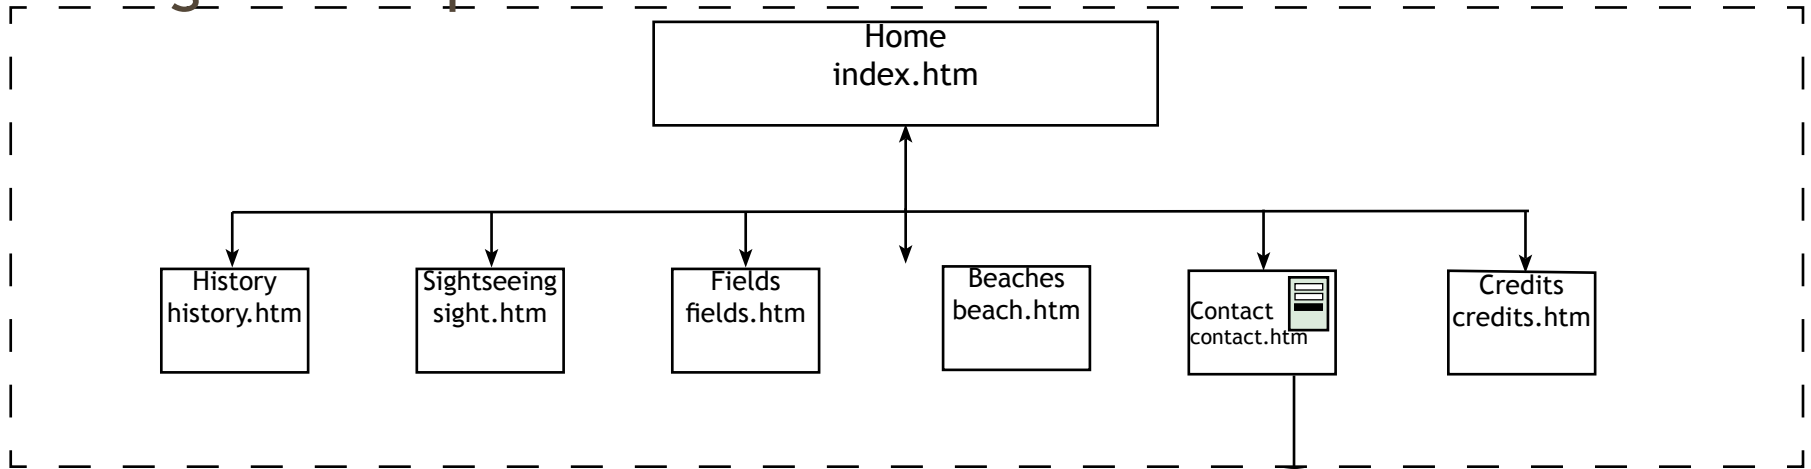

Students and adults from 15 and up who are attracted to cities around the world.

TO NE

Educational and fascinating.
